

Fall 2006

Dear Parents,

The Children & Family Ministries Department is concerned about the safety of children on Sunday. Due to the size of our facility and the number of people attending worship, we have established a policy regarding dismissal of children.

Infants through Grade 2

An adult must pick-up the child.

Students in Grades 3, 4, & 5

Students can be released at the end of worship if the classroom teacher has a signed consent form. The form is printed on the other side of this notice. Fill out a form for each child in your family that you want dismissed. Please discuss with your child/children where he/she should meet you.

Students in Grade 6

Students will be dismissed at the end of worship. Please discuss with your student where he/she will meet you.

If you have any questions, please call Jane, (425) 454-3082, ext. 3313.

Serving the Lord,

Jane Lewis
Director of Children & Family Ministries
